Summary

Training Manager with 6+ years of experience in Saudi Arabia's smartphone retail sector. My background covers in-store sales, regional training, sales team management, and field-force operations across Saudi Arabia. I currently focus on product launches, sales capability, and practical training that supports retail execution.

Core Expertise

- Saudi Arabia Retail Operations
- Field Force Leadership
- Sales Performance & KPIs
- Training & Capability
- Product Launches
- Stakeholder Management

Work Experience

Training Manager — 2025 – Present
TECNO · Saudi Arabia
- Deliver dealer and retail-partner training through in-person workshops, online sessions and regional events.
- Manage training for TECNO retail and field teams across Saudi Arabia, from needs assessment to delivery and follow-up.

Field Force Management Manager — 2024
HONOR · Saudi Arabia
- Managed sales targets and field-force performance across Saudi Arabia in coordination with regional managers.
- Followed execution from target allocation to month-end closing, reviewing performance gaps with regional teams.

Area Manager — 2023 – 2024
HONOR · Saudi Arabia
- Managed regional sales performance and promoter teams, tracking targets, KPIs and individual productivity.
- Coordinated with store managers and retail partners to address sales obstacles and follow up on agreed actions.

Regional Trainer — 2022 – 2023
HONOR · Saudi Arabia
- Delivered product, sales, and customer-experience training for frontline teams across the assigned region.
- Prepared launch materials and practical product demonstrations that helped teams explain customer benefits clearly.

Brand Consultant — 2021 – 2022
HONOR · Saudi Arabia
- Managed direct customer engagement and retail sales using consultative selling, product demonstrations, and competitive comparisons.

Brand Consultant — 2020 – 2021
HUAWEI · Saudi Arabia
- Managed frontline technology sales, customer needs discovery, product demonstrations, and store-level sales support.
