Professional Profile

Training Manager with 6+ years of experience in Saudi Arabia's smartphone retail sector. My background covers in-store sales, regional training, sales team management, and field-force operations across Saudi Arabia. I currently focus on product launches, sales capability, and practical training that supports retail execution.

Core Expertise

Saudi Arabia Retail Operations	Field Force Leadership
Sales Performance & KPIs	Training & Capability
Product Launches	Stakeholder Management

Professional Experience

Training Manager

TECNO Mobile · Saudi Arabia

- Support dealer and retail-channel training through in-person workshops, online sessions, and regional events.
- Prepare and deliver nationwide product-launch and sales training for TECNO retail and field teams across Saudi Arabia.

Field Force Management Manager

HONOR · Saudi Arabia

- Followed performance from target allocation to month-end closing, achieving an average of 89% of the 2024 sales target.
- Worked with regional managers and retail partners to improve in-store execution and respond to competitor activity.

Area Manager

HONOR · Saudi Arabia

- Managed sales performance and store execution for the assigned region, including targets, KPIs, and promoter productivity.
- Worked directly with retail partners and store managers to resolve execution issues and improve sales results.

Regional Trainer

HONOR · Saudi Arabia

- Delivered product, sales, and customer-experience training for frontline teams across the assigned region.
- Prepared launch materials and practical product demonstrations that helped teams explain customer benefits clearly.

Brand Consultant

HONOR · Saudi Arabia

- Managed direct customer engagement and retail sales using consultative selling, product demonstrations, and competitive comparisons.

Brand Consultant

HUAWEI · Saudi Arabia

- Managed frontline technology sales, customer needs discovery, product demonstrations, and store-level sales support.
