Summary

Progressive experience in smartphone retail since 2020, spanning direct sales, area management, national field operations and training. Background combines sales performance monitoring, retail team leadership and practical sales capability development.

Work Experience

Training Manager — 2025 – Present
TECNO · Saudi Arabia
- Manage training for retail and field teams across Saudi Arabia, from needs assessment to programme delivery and follow-up.
- Develop product, selling-skills and competitor content, and deliver in-person and online training for dealers and retail partners.

Field Force Management Manager — 2024
HONOR · Saudi Arabia
- Managed national sales-team targets with regional managers and tracked progress through month-end closing.
- Analyzed sales reports and promoter productivity to identify performance gaps and follow up on corrective actions with regional teams.

Area Manager — 2023 – 2024
HONOR · Saudi Arabia
- Supervised promoter teams and monitored KPIs and sales-plan execution across the area's stores.
- Conducted store visits to assess team performance, customer experience and competitor activity.

Regional Trainer — 2022 – 2023
HONOR · Saudi Arabia
- Trained store teams on product knowledge, selling skills and customer experience, using practical demonstrations to explain product features and benefits.
- Visited stores after training to identify knowledge gaps and adapt follow-up sessions to field needs.

Brand Consultant — 2021 – 2022
HONOR · Saudi Arabia
- Identified customer needs, demonstrated and compared products, handled objections and closed in-store sales.

Brand Consultant — 2020 – 2021
HUAWEI · Saudi Arabia
- Sold smartphones and technology products in-store, and gathered customer feedback and competitor insights for the team.
