ABOUT ME

Training Manager with 6+ years of experience in Saudi Arabia’s smartphone retail sector. My background covers in-store sales, regional training, sales team management, and field-force operations across Saudi Arabia. I currently focus on product launches, sales capability, and practical training that supports retail execution.

CORE SCOPE

National Retail Operations	Field Force Leadership
Sales Performance & KPIs	Training & Capability
Product Launches	Stakeholder Management

WORK EXPERIENCE

TRAINING MANAGER	2025 – Present
TECNO MOBILE · SAUDI ARABIA	
- Support dealer and retail-channel training through in-person workshops, online sessions, and regional events. - Prepare and deliver nationwide product-launch and sales training for TECNO retail and field teams across Saudi Arabia.	
FIELD FORCE MANAGEMENT MANAGER	2024
HONOR · SAUDI ARABIA	
- Followed performance from target allocation to month-end closing, achieving an average of 89% of the 2024 sales target. - Worked with regional managers and retail partners to improve in-store execution and respond to competitor activity.	
AREA MANAGER	2023 – 2024
HONOR · SAUDI ARABIA	
- Managed sales performance and store execution for the assigned region, including targets, KPIs, and promoter productivity. - Worked directly with retail partners and store managers to resolve execution issues and improve sales results.	
REGIONAL TRAINER	2022 – 2023
HONOR · SAUDI ARABIA	
- Delivered product, sales, and customer-experience training for frontline teams across the assigned region. - Prepared launch materials and practical product demonstrations that helped teams explain customer benefits clearly.	
BRAND CONSULTANT	2021 – 2022
HONOR · SAUDI ARABIA	
Managed direct customer engagement and retail sales using consultative selling, product demonstrations, and competitive comparisons.	
BRAND CONSULTANT	2020 – 2021
HUAWEI · SAUDI ARABIA	
Managed frontline technology sales, customer needs discovery, product demonstrations, and store-level sales support.
