## Summary

Training Manager with 6+ years of experience in Saudi Arabia's smartphone retail sector. My background covers in-store sales, regional training, sales team management, and field-force operations across Saudi Arabia. I currently focus on product launches, sales capability, and practical training that supports retail execution.

## Core Expertise

- Saudi Arabia Retail Operations
- Field Force Leadership
- Sales Performance & KPIs
- Training & Capability
- Product Launches
- Stakeholder Management

## Work Experience

### Training Manager — 2025 – Present
TECNO · Saudi Arabia
- Support dealer and retail-channel training through in-person workshops, online sessions, and regional events.
- Prepare and deliver nationwide product-launch and sales training for TECNO retail and field teams across Saudi Arabia.

### Field Force Management Manager — 2024
HONOR · Saudi Arabia
- Followed performance from target allocation to month-end closing, achieving an average of 89% of the 2024 sales target.
- Worked with regional managers and retail partners to improve in-store execution and respond to competitor activity.

### Area Manager — 2023 – 2024
HONOR · Saudi Arabia
- Managed sales performance and store execution for the assigned region, including targets, KPIs, and promoter productivity.
- Worked directly with retail partners and store managers to resolve execution issues and improve sales results.

### Regional Trainer — 2022 – 2023
HONOR · Saudi Arabia
- Delivered product, sales, and customer-experience training for frontline teams across the assigned region.
- Prepared launch materials and practical product demonstrations that helped teams explain customer benefits clearly.

### Brand Consultant — 2021 – 2022
HONOR · Saudi Arabia
- Managed direct customer engagement and retail sales using consultative selling, product demonstrations, and competitive comparisons.

### Brand Consultant — 2020 – 2021
HUAWEI · Saudi Arabia
- Managed frontline technology sales, customer needs discovery, product demonstrations, and store-level sales support.
